

# Fire Marshall Training

**Fire Marshal or Fire Warden Training is essential to ensure that employees who are designated as a Fire Warden or Fire Marshal, fully understand their role and their duties within The Regulatory Reform (Fire Safety) Order 2005.**

## Who should attend?

This course is for employees nominated as fire marshals or wardens who have a responsibility for implementing the company fire evacuation procedure.

## What will the candidate learn?

This course will help you to gain awareness of fire precautions in the workplace and the threat posed by fire to people and the business. You will acquire knowledge regarding the selection, use and all safety aspects of fire extinguishers located within your workplace.

## Certification:

All candidates will receive a certificate showing that they have completed practical fire training.

## Course Duration:

6 hrs for up to 12 delegates.

## Course content:

- Fire Regulations
- The duties of a Fire Marshall
- How fire spreads
- Fire Risk Assessment
- Types of fire extinguishers
- Practical use of fire extinguishers

## What the candidate says:

*“I feel more confident and have a better understanding of my responsibilities”*
